Very Important Photos

The capacity crowd at XS Nightclub in Wynn Las Vegas attending The Chainsmokers set last night got a huge extra bang for their buck when **Jennifer Lopez** took the stage and sang her hit "Dinero". Attending the megaclub to celebrate one of her dancer's birthday's, J-Lo with beau **Alex Rodriguez**, her manager **Benny Medina**, and a posse of her backup dancers, took over a couple of stage tables where the Grey Goose and Don Julio flowed. Eye spies say, however, she kept refreshed with bottled water only.
